Myao from MILK MORINAGA

If I feel it with you,
If I vow it with you

It will quietly begin.

Bonded by destiny,

an eternal friendship

L'oiseau Blew

Hello Long time no see! I'm Mannaga Milk.

I haven't put out a proper book since Summer Comiket (I did do two copy books, but *^). It feels like I haven't done a doujinshi in forever

Phew! ♡ Ever since Akio got a bigger role. well, ever since episode 33 'The Prince Who Runs Through the Night' I've been an empty shell. Sigh.

I mean, that dark man did THAT to my Utena-sama! ;;; Utena-sama isn't a virgin anymore! (sob) And she's only in her second year of junior high. (Dead) When I make copies of episode 33 for friends I always turn the picture off I never want to see it again.

I hate Utena-sama now!! ;; She's not noble anymore! ;; (sob) And I want to kill Akio from the bottom of my heart. If someone from Be-Papas were standing here before me I'd like to grab them by the collar and shout 'What the heck are you doing?!! ;;'

I mean, when I was watching episode 33, I could see that Utena-sama was talking to someone. But who? I thought it didn't look like it was Himemiya. She was talking casually, so it couldn't be Akio... A school trip? Huh? What? Wait could this be A VIRTUAL CONVERSATION?! ;; It's me? She's talking to me? Oh, I see! She's talking to the audience! Oh, my ;;* This is great Be-Papas!

That was what I thought. Gazing at Utena in profile and the back of her head as she lay in bed and all that. I thought to myself, 'Ah, Utena-sama is speaking to me!' This is bliss.' I was so into it. And then suddenly the camera made it look like I was on top of Utena-sama!! 'Huh?' ;; Hey is this for real?! ;; Oh, geez! I'm so d-a-r-i-n-g! ♥ Huh? No way! Is this really happening? ///. Oh, my! ;; I'm doing this with Utena-sama? ♡ Squee! ;; *

Well. I really did think all that. And then in the last scene, I finally realized what was going on. 'My hands aren't this big! My skin isn't this dark!' ;; (sob)' Akio, you bastard! ;;; You put your dirty penis—the one you shoved up Touga's butt—in Utena-sama!

So I couldn't concentrate on anything for a while. And the cold I caught in March, got a LOT worse.

Utena-sama was quickly becoming an awful person, too. I started to dread Wednesdays. I couldn't take any more. 'Don't make me hate Utena-sama even more. ' I pleaded. Sigh.

So I'm happy now. I'm not sure why she suddenly recovered like that, but Utena-sama got her nobility back! Yes! One or two hits aren't enough to take her out! Go for it, ;; Utena-sama! ;; Kick Akio's butt! ;; Rah! ;;

L'oiseau Bleu

This is the first time I've written an afterword on the train in a long while. (Dead) It shakes... ^_^ In my ten years of drawing doujinshi this is the latest I've ever waited to send a book to print—it's a new low for me. I've made a new record. (Die)

Um... Sorry this is a poetry manga book like all the ones I did about Rei×Ami... I had deja vu drawing it, too.

I couldn't draw a "Bluebird" story about Kozue×Miki. Urah-! Next time, I guess.

Bluebird is, you know, that drama series on TBS starring Toyokawa Etsushi. It's over now. But it was good. Except for the end.

Sigh. But geez, time just seems to fly by lately. It seems like we just had Summer Comiket... Boy, this train sure is shaking... I'm standing up, too.

Um, thanks to all my friends who contributed to this book as guests even though I asked you right at the last minute, like BAM! ♥ LOVE!

Anyway, sorry I just shoved everything in there like that! ^_^; Off with my head! I'll thank you properly someday, I promise. ^_^; Whimper, whimper.

I wanted to do a story about the musical, too, but I just couldn't. Well, I'll do a proper book next year. I wonder how the series will end. Is Anthy going to die? Will Miki and Utena-sama be able to get married then? Maybe Mikage will reappear?

Oh, I wanted to draw Nanami-chan, too. The last episode about her was good. She talks a good game, but she actually likes Utena-sama. ♥ Geez! And it looks like Miki can't stop thinking about Utena-sama? ♥ Geez!

He needs to move on already, really. ♥ Augh. Oh, and Shiori (I can't write her name in kanji, so I wrote it in hiragana.) She's scary, isn't she? She looks like she'd really be my type, though! Her coloring...and design...and all that are TOTALLY my type. But... her personality is just too awful.

Oh...geez. I can't fill up all this space.

Well, this year is coming to a close now. It feels like yesterday that we were getting excited over Utena, finally starting...and now it's about to end! Thirty-nine episodes feels shorter than I thought it would... I want to put out a bunch of Utena books next year—good ones, done right.

Ummm. Uhhh. Well, then! Please check out my books next year, if you'd like. Hope you have a great year, too! Well! Time's up! Dead! Seeya-bye! Kisses!

It's over... Morinaga Milk
